(336)992-1220

In case you were unable to attend, below are a few photos from the festivities.

About Francini Inc.

As one of the largest importers and distributors of natural and engineered stone products in the United States, Francini Inc. offers a wide array of materials in a stunning variety of colors to match every decor and every design challenge.

Francini Inc. serves both the residential and commercial markets with products, offering highly competitive pricing due to our owners' carefully built quarry-direct purchasing power.

Francini Inc., is known for leading the industry in providing the highest quality materials to meet with current design trends across the country. If you are looking to get the greatest return on your new home building dollars - or a remodel - using natural stone or engineered materials for your floors, countertops, backsplashes and walls throughout your home is one of the best ways to add value. You can expect to be offered exceptional customer service because at Francini Inc. our business is more than customer service, we build lasting partnerships.

Other U.S. locations of Francini Inc. Marble and Granite include Sun Valley, CA; Indio, CA; Salt Lake City, UT; Boise, ID; Raleigh, NC; and Wilmington, NC.
